

Privacy Policy

Kaden Zheng built the Phoenixz app as a Free app. This SERVICE is provided by Kaden Zheng at no cost and is intended for use as is.

This page is used to inform visitors regarding my policies regarding the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

There is no personal information collected in any form, knowingly, with this app. None of the data will ever be used or shared with anyone.

The terms used in this Privacy Policy have the same meanings as commonly understood unless otherwise defined in this Privacy Policy.

Information Collection and Use

At no point, while using our Service, will you be requested to provide us with certain personally identifiable information. The only possible information collected that is used to run the code and libraries will be retained on your device and is not collected by me in any way.

Log Data

I want to inform you that whenever you use my Service, in a case of an error in the app I collect data and information (through third-party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing my Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these "cookies" explicitly. However, the app may use third-party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

There are no third-party service providers utilized, except for Firebase and FirebaseFirestore, which is used to store voluntary data that must be manually inputted and submitted by the user. Personal data is limited to "NAME" only. Any questions about this data collection can be directed to kadenzheng@mail.fresnostate.edu.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of

transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by me. Therefore, I strongly advise you to review the Privacy Policy of these websites. I have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

I do not knowingly collect personally identifiable information from children. I encourage all children to never submit any personally identifiable information through the Application and/or Services. I encourage parents and legal guardians to monitor their children's Internet usage and to help enforce this Policy by instructing their children never to provide personally identifiable information through the Application and/or Services without their permission. If you have reason to believe that a child has provided personally identifiable information to us through the Application and/or Services, please contact us. You must also be at least 16 years of age to consent to the processing of your personally identifiable information in your country (in some countries we may allow your parent or guardian to do so on your behalf).

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2022-10-18
